Support Our Mission to Prevent Domestic Abuse

After Maria's murder, we recognized our family's lack of awareness of the signs of Domestic Violence. We vowed to prevent such tragedies from affecting other families.

Maria's Voice is Maria's legacy in creating safe homes.

Through our Prevention Network, education about the signs of Domestic Violence helps people avoid abusers or safely exit a toxic relationship before violence occurs.

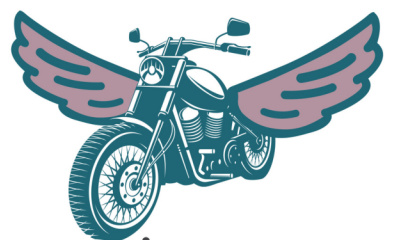

Use your voice to help in our education efforts for widespread
Awareness and Empowerment.

Together, let's make a lasting impact, creating safer communities.
